

Meeting Minutes from our Wednesday, February 24th meeting.

Meeting Location:

Sizzle Mongolian BBQ

1230 Sunset Boulevard, Rocklin, CA 95765-3773 Meeting Time: 7pm Meeting called to order 7:30pm Meeting adjourned at 8pm Topics:

- Spring Fling - will be in April or May this year. The event will be a combo with the Bay Area Chapter at a location between Sacramento and the Bay. Nalesh and Mike Cruz, Bay Area President, met on Sunday to continue discussions on location and dates. We've tentatively decided to have the meet in Fairfield at or near the Nut Tree. More details to come.
- Christmas / Holiday Party - We will have the party in December. Location is TBD and date is TBD, however will likely be mid-December.
- Nalesh is asking for club members to respond directly to him via email if you have ideas for events in March, June, July, August, September, October and November. The board will work on planning events for those months, but would like input from club members on ideas. All ideas are good ideas.
- Racing this year - Shad will let the club know what the race schedule looks like when the schedule is ready. When we have that schedule, we will communicate it to the Sacramento and Bay Chapters to encourage members to attend and support.
- Tracking this year - Our club has a long history of members who enjoy driving their NSXs at the track and as the tracking schedule gets underway for 2010, we will communicate those dates to members to encourage attendance and support and to get members who are considering tracking for the first time, more exposure to what it's all about.
- Coffee Meets - a poll was taken to determine whether coffee meets are good on Saturdays or Sundays. The poll showed that large majority of those in attendance at the meeting preferred Sunday morning coffee meets. We will start announcing coffee meet locations when the weather clears up.
- EuroSunday Events - Recently our participation in EuroSunday events has tapered off for various reasons. This event is a good way to get more people exposed to the NSX. Nalesh will get more information on the 2010 EuroSunday schedule and communicate to the club for those who want to participate.
- Summer Meet at Driving Ambition - We will plan to have a summer meet at Driving Ambition this year. It will be a casual event in place of a Monthly meeting. The Bay Area will get invites and we may piggyback with a meet the Honda S2000 group is planning already.
- Community Service Events - we would like to do something with Shriner's Hospitals. The ideas are in the early stages, but this effort will require lots of help from our club members. Anyone interested in helping organize an event for Shriners, please contact Nalesh.
- Golf Outing - we have several members in the club who enjoy golfing and some novices who would like to play in a casual golf event. This idea is in the early

stages, but we will work on putting together a club (no pun intended) outing at a local (easy to play) course.

- Car Shows - we have several car shows throughout the year coming up. More to come on those.
- NSX Fiesta in Japan. Tom Pon is planning on going to NSX Fiesta in Japan and is interested in knowing if anyone else is going. For more information on NSX Fiesta planning see the link on NSXPrime:
