

Meeting Notes from our January 2011 meeting.

The meeting was held Tuesday, January 25, 2011; at 7pm; at Todo Un Poco Grill in Elk Grove.

Attendees: We had about 20 people attend the meeting and one new member.

New Member: Please join me in welcoming Jeff Medeiros. Jeff recently moved to Elk Grove from Modesto. He has a 1993 Sebring Silver on Black 5 speed coupe. His is one of 23 made in that combination for that year in the U.S.. Mike Cruz, Bay Area Chapter President has another of the 23 as does Ariel Oriol in the Bay Area.

Elections: We did not hold elections since we had no candidates for the officer positions. As a result, the club currently does not have newly elected officers for the 2011 year. We will keep the officer positions open until we have volunteers or candidates.

Acting Officers: In the interim, I (Nalesh) will remain as Acting President and Ed Wamser will remain as Acting Vice President. We will step down from our temporary positions when new officers are elected.

Events: Since we don't have an officer board, events will be scaled back. The Spring Fling, Summer BBQ and Christmas Dinner will remain in a hold status until we have new officers.

Monthly Meets/Dinners: We will continue our Monthly Meetings/ Dinners. For the time being we will hold meeting on alternating months in Elk Grove and in the Arden area. The meets/dinners will start at 7pm as usual.

Monthly Meet Schedule:

Elk Grove Location will be Todo Un Poco every other month. Jan, Mar, May, July, Sept  
Arden Area (we are finding a location - did everyone like Lam's Chinese?) every other month. Feb, Apr, Jun, Aug, Oct.

November and December meeting locations will be TBD.

Member Initiated Events: Since we won't have organized events until new Club Officers are elected, I would like to encourage the membership to use the group list. We have members with varied interests and many of us share those interests in common. Last year we had members who got together "unofficially" and went on a golf outing, to the shooting range, to a race and other places. If you have an idea for something you would like to do and would like to include club members, please put the plan together and let me know via email. I'll help get your message out to the membership. The outing will not be an official club event.

If anyone has questions, please contact me directly via email at: [nalesh@prodigy.net](mailto:nalesh@prodigy.net)
